Life is old there, older than the trees, younger than the mountains

Blowing like the breeze

Country roads, take me home to the place I belong

West Virginia, mountain mama, take me home country roads.

All my memories gather round her, miner's lady stranger to blue water

**G (4x)                          Em (4x)                                  D (4x)**

Dark and dusty, painted on the sky, misty taste of moonshine

**C (2x)                          G (2x)**

Teardrop in my eye

### **CHORUS: Same as above.**

### **BRIDGE:**

**Em (2x) D (2x)                  G (4x)**

I hear her voice in the morning hour she calls me

**C (2x)                  G (2x)                                  D (4x)**

The radio reminds me of my home far away

**Em (2x)                          F (2x)                          C (2x)                          G (2x)**

Driving down the road I get a feeling that I should have been home

**D (4x)**

yesterday, yesterday.
