**Additional Lyrics:**

And It ain't no use in turning on your light, babe  
The light I never knowed  
And it ain't no use in turning on your light, babe  
I'm on the dark side of the road

*But I wish there was somethin' you would do or say  
To try and make me change my mind and stay  
But we never did too much talking anyway  
But don't think twice, it's all right.*

So It ain't no use in calling out my name, gal  
Like you never done before  
And It ain't no use in calling out my name, gal  
I can't hear you any more

*I'm a-thinking and a-wonderin' walking down the road  
I once loved a woman, a child I am told  
I gave her my heart but she wanted my soul  
But don't think twice, it's all right.*

So long honey, baby  
Where I'm bound, I can't tell  
Goodbye's too good a word, babe  
So I'll just say fare thee well

*I ain't a-saying you treated me unkind  
You could have done better but I don't mind  
You just kinda wasted my precious time  
But don't think twice, it's all right.*
