

INTRO TO UKULELE

Course 3 // Lesson 2

Notes + Assignments

New Chords/Scales: D Major

Practice Exercises:

- 1.** D Chord - Physical Exercise.
Lift all fingers off of the fretboard and place them back into the chord position. Experiment with different fingerings assessing what feels most comfortable to your hand.
- 2.** D Chord - Mental Exercise
Identify the notes of the D chord and assign with numerical labels: Root, 3rd, 5th. Use the fretboard map and major scale to determine your note names.
- 3.** Practice the D Major Scale while saying the notes out loud. Use the correct finger placement and work forwards and backwards through the scale.
- 4.** Practice the D Major Scale while saying the numerical value of each note of the scale. I.e. 1, 2, 3.
