

INTRO TO UKULELE

Course 3 // Lesson 1

Notes + Assignments

- Start your practice sessions this week with music theory warm ups.

- 1.** Get familiar and confident with the ukulele string names.
- 2.** Starting with the open C string, say the name of the note on each fret of the neck until you reach the 12th fret.
- 3.** Repeat the procedure on the E, A & G strings.
- 4.** Use the identification trick from the video to quickly identify the notes on the 5th, 7th and 10th frets.
- 5.** Make this part of your daily routine so the string and note names become part of your ukulele vocabulary.
